Dear Mr. Dabelstein:

We have checked our program log and the information you sent corresponds with what we have, so apparently you did hear KOSY on the time and date specified.

Since this is a little beyond our normal coverage, we are sending you a coverage map for KOSY-AM. This is a map from which we sell, so other stations are shown. KOSY is printed in yellow.

Thank you for the report.

Sincerely,

Norm Mason
Chief Engineer
